PA 5 – Technical assistance	72 473 830	12 789 500	85 263 330	3,5
TOTAL	2 070 680 884	365 414 276	2 436 095 160	100

OP R&DI – Beneficiaries

- According to the definition of the Community Framework for State Aid for Research & Development and Innovation (2006/C 323/01), Article 2.2., Letter d):
- **“research organization”**
 - universities,
 - research institutions,
 - public research institutions,
 - non-profitable organizations and legal entities established by them
 - etc.

OP R&DI – Supported Activities

- Reconstruction, extension and development of the R&D capacities;
- Establishment, development and operation of TT offices;
- Investments in the infrastructure for education and teaching at universities;
- Instrumentation, laboratory and information equipment and infrastructure for research and technological development;
- Services related to TT, commercialisation and protection of IPR;
- High quality, collaborative R&D projects (start-up grants);
- Projects for popularisation, promotion and publicity of science and technology;
- Update and extension of the information infrastructure of universities necessary for research and training;
- Extensions of existing and construction of new academic library facilities (building new capacities only in justified cases, with a preference for projects targeting a higher number of users).

OP R&DI – Current State of Implementation

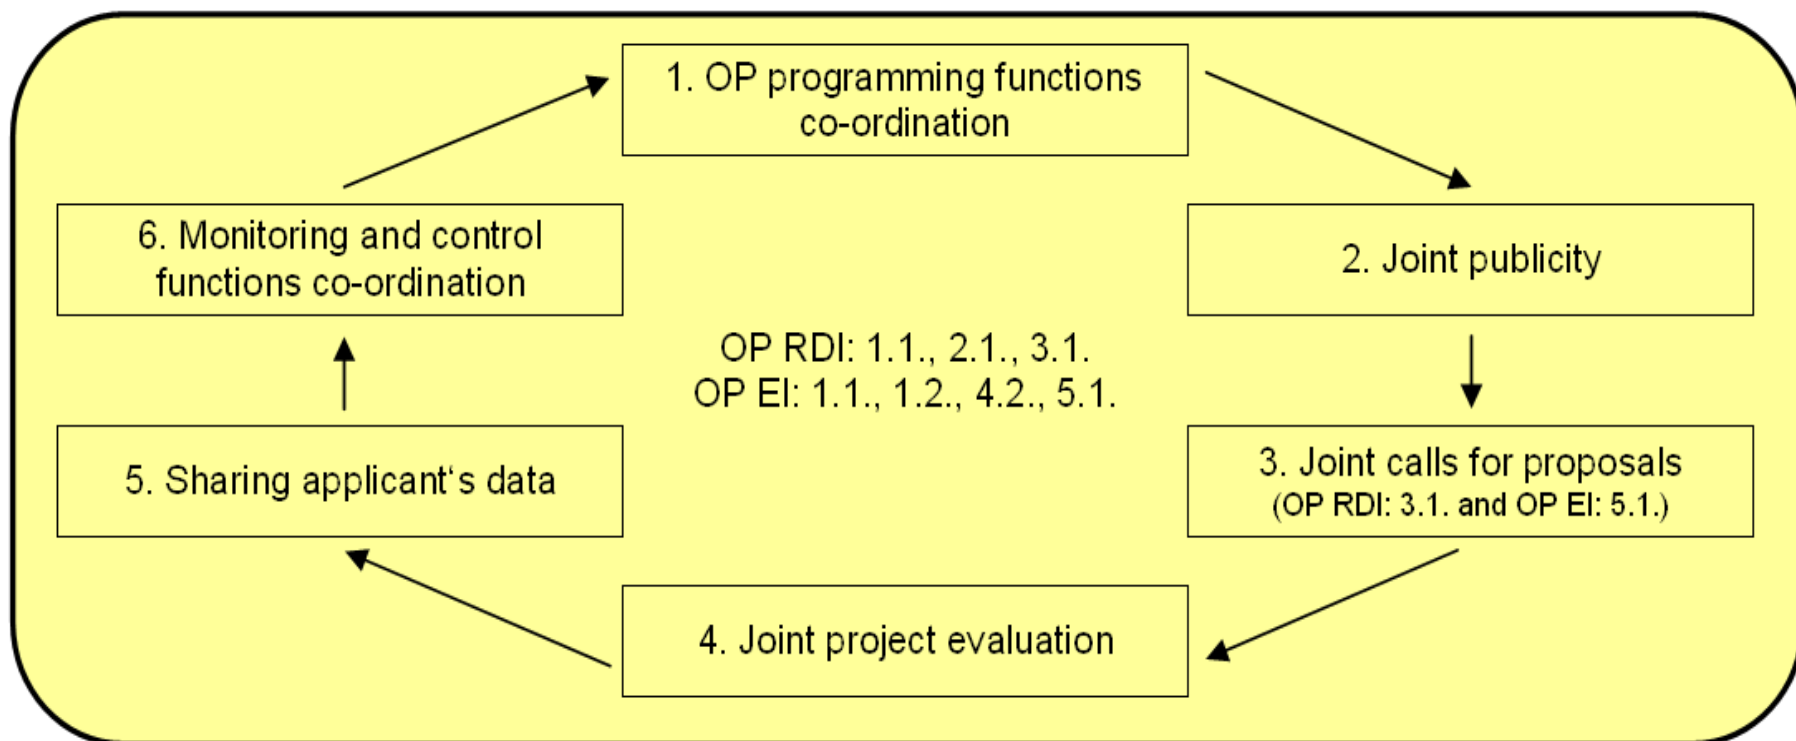

- Call in PA2 – **Regional R&D Centres** (standard projects)
 - Announced: December 15, 2008; allocation: 6 bil. CZK
- Call in PA1 – **European Centres of Excellence** (major and standard projects)
 - Planned to be announced on June 1, 2009; allocation: 17 bil. CZK
- Second call in PA2 – **Regional R&D Centres** (major and standard projects)
 - Planned to be announced on June 15, 2009; allocation: 11 bil. CZK
- Call in PA4 – **Infrastructure for university education related to research** (standard projects)
 - Planned to be announced on August 17, 2009; allocation: 10 bil. CZK
- Call in PA3 – **Commercialization and popularization of R&D**
 - Planned to be announced by the end of 2009

OP R&DI – Synergies with Other Programmes

- Synergies within EU Structural funds programmes (OP R&DI, OP EC, OP EI)
 1. **vertical synergy** within the individual operational programme
 2. **horizontal synergies** between the two individual operational programmes
 - projects planned in parallel
 - follow up projects
- Synergies EU Structural funds programmes – EU programmes (OP R&DI, FP7, CIP, Target-oriented programmes, ...)

OP R&DI – Synergies with Other Programmes

Institutional coordination between OP EI and OP R&DI

Summary

- OP R&DI –
 - European Centres of Excellence,
 - Regional R&D centres,
 - Commercialization and popularization of R&D,
 - Infrastructure for university education related to research.
- Support of research organizations and universities.
- First 43 standard projects have been submitted to the MA within the call in PA2 announced 15.12.2008
- Synergies
 - within EU Structural funds programmes;
 - Synergies EU Structural funds programmes – EU programmes – National programmes
